

# CASE STUDY

## Edge Grove School, Aldenham Village

**Sector:** Education

**Client:** Edge Grove School Trust

**Budget:** £428,000

**Duration:** 24 weeks

**Completion:** September 2007

**Architect:** Elbourn Architects

**Project specifications:**

This project incorporated the construction of a two classroom extension including internal alterations, external works and large glazed canopy.

The works required the demolition of part of the existing structure, temporary propping and the installation of new cut roof and structural steel.

The external elevations were provided with natural fair face block work to blend with the existing structure.

External works and services were altered and extended to provide this extended teaching facility.
