

# CASE STUDY

## Haynes House, Haynes, Bedford

<b>Sector:</b>	Housing
<b>Client:</b>	Mr and Mrs Diffy
<b>Budget:</b>	£440,000
<b>Duration:</b>	32 weeks
<b>Completion:</b>	September 2005
<b>Architect:</b>	John Capper

### Project specifications:

Haynes House is a high class, quality build, with great care taken on the brick work pointing.

The project was designed with access from the main house to an indoor swimming pool and the feature of a timber panalled Soffit to the under side roof to the pool area.

The windows are a combined aluminium/timber window system from Scandinavia offering the maintenance free externally but the timber internally.
