Quality construction built on reputation

## Kingsbrook Children's Centre, Bedford

<b>Sector:</b>	Education
<b>Client:</b>	Bedfordshire County Council
<b>Budget:</b>	£283,000
<b>Duration:</b>	20 weeks
<b>Completion:</b>	January 2006
<b>Architect:</b>	Mouchel Parkman

### Project specifications:

Kingsbrook Children's Centre is a single storey building of a conventional design and construction. Mass fill concrete foundations and load bearing beam and block floor. The roof consists of a single ply elastic waterproof membrane on a flat plywood and timber joists roof construction incorporating roof lights. The internal fit out incorporated the inclusion of sliding doors to maximize the limited floor space. Staff kitchen, baby changing facilities, together with young children's toilets, were part of the design. The external areas have been designed to accommodate young and disabled children.
