Knowhill Offices

Sector:	Commercial
Client:	Praize Properties LLP
Budget:	£4,520,000
Duration:	60 weeks
Completion:	February 2008
Architect:	Q2 Architects

Project specifications:

The design and construction of 3750m² of new designer office accommodation within three buildings of three storeys plus penthouse including all incoming services incorporating a new electric sub station. The buildings employed modern methods of construction meeting very good breem rating including high insulation levels and large areas of specialist glazing.

The construction of the building is a steel frame with timber in fill clad with metal, louvered and ceramic rain screen incorporating large open areas of office space on traditional foundations. The works involved the creation of new access and parking arrangement.
