

CASE STUDY

Stanbridge House, Leighton Buzzard

Sector:	Housing
Client:	Mr & Mrs A Worrall
Budget:	£515,000
Duration:	8 months
Completion:	August 2005
Architect:	Eddie Lemon

Project specifications:

To demolish and existing bungalow after a fire and re-build a new, 6 bedroom, 2 story bungalow on the front print of the existing but strengthened foundations, with underpinning.

The ground floor was rebuilt with Bovingdon Berry multi facing bricks and block work on the inner leaf. The roof was constructed traditionally, consisting of hand cut roof and covered with clay plain tiles. All the joinery was from American white oak and the floor coverings were either from the same white oak or ceramic tiles. There is an under floor heating system.
