

CASE STUDY

Vandyke Upper School, Leighton Buzzard

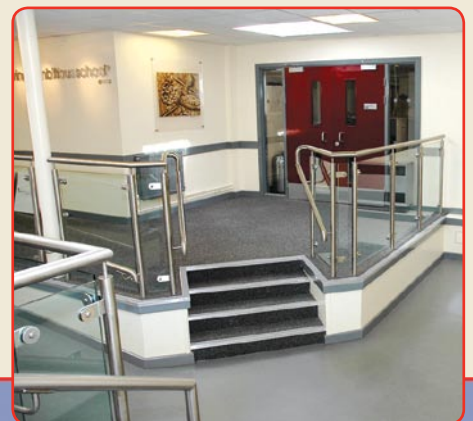

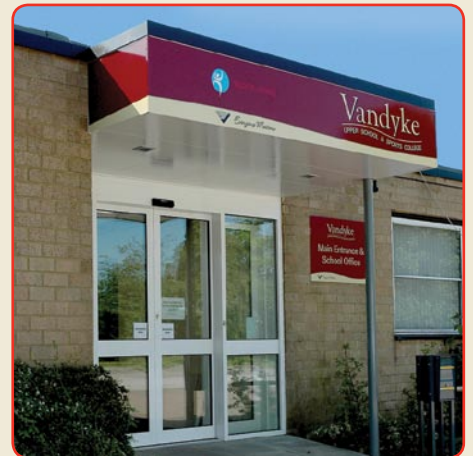

Sector:	Education
Client:	Vandyke Upper School
Budget:	On Going
Duration:	52 weeks
Completion:	April 2008
Architect:	Peter Haddon and Partners

Project specifications:

The project consists of the alteration and refurbishment of the existing changing facilities, sixth form areas, theatre and main entrance. New extensions were built to form new offices and storage areas.

This was a traditional build including drainage, roofing, internal furniture, finishings, mechanical and electrical works.

To enable the continued maximum use of the building all works were phased with demolition and major structural work carried out in holiday periods.
