Client: Knight Harwood

Sector: Supply and Fix Joinery Packages

Budget: £300,000

Duration: 20 weeks

Project specifications:

Internal fitting out and forming of 15, prestigious, 1 & 2 bedroom apartments and concierge reception area, in Central London. Black, American Walnut door sets to the main entrance doors, bath panels/vanity unit surrounds and horizontal veneered sliding wall panels to the reception area. Black, American Walnut highlights showers and baths with large mirror fronted vanity units. Paint grade internal door sets are installed complete with architectural brushed aluminium door furniture. Skirting boards are 100mm paint grade with a 5mm shadow gap detail between the top of the skirting and wall abutment. Skirting boards & architraves to the 1st 2nd & 3rd floor corridors are of black American Walnut. The Concierge reception consists of an black, American Walnut sliding folding wall system to conceal a stair lift for gaining access to the reception upper floor level. There is a white spray painted reception desk, with provision for cable management and under unit heater complete with a leather trimmed guests seat to the upper level.

Conclusions:

Project completed the project on time and within budget and achieving a high standard of workmanship carried out by M J Hillson Limited's fully qualified carpentry/joinery teams. Variations and extra works arose, but M J Hillson Limited worked closely with the architect and management contractor to ensure they were dealt with swiftly and efficiently.
