

CASE STUDY

The Longford Centre, Feltham

Client: Laing O'Rourke Construction South Ltd

Sector: Supply & Fix Joinery Packages

Budget: £1,400,000

Duration: 40 week contract

Project specifications:

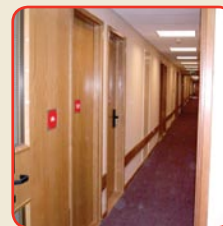

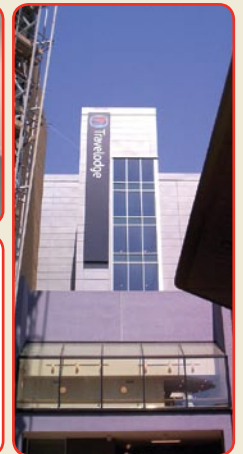

This contract was let in two packages. Structural timber roof and internal joinery fit-out. M J Hillson Limited were contracted to supply and fix all specialist joinery works to the retail units, the library, the medical centre and the Travelodge hotel. The medical centre fit-out included painted and Formica faced door sets, pre-assembled beech furniture to numerous consulting and cubicle rooms and the full installation of high specification reception counters and specialist fabric blinds and curtains. The library included Formica faced door sets, toilet cubicle fit-out, Formica column cases, fabric blinds and curtains. The Travelodge included all oak veneered door sets, oak skirtings, architraves and specialist ironmongery. The structural timber roof package incorporated the installation of plastic gutters and down pipes.

Conclusions:

M J Hillson Limited were constantly monitoring the tight programme to achieve targets throughout the project period. It was a first for M J Hillson Limited to procure cost-effective materials via our supply chain partners in Europe. M J Hillson Limited resourced the job with labour from within the local community as and when required. Although it was quite hectic at times we were proud at the end with the achievements of all involved and the minimal snagging of the works.

M J Hillson did everything they could to keep work fronts moving to meet our deadlines. Quality and Health and Safety were not compromised, and good standards achieved in all aspects of the work done.

Gordon Latimer, Senior Project Leader, Laing O' Rourke
